Your tenderness  
Like your kiss  
It does me real harm  
Broken pieces  
I'm sensitive  
You left me a big scar

It seems to  
To go on forever  
Now I can't take it back  
I should have said now or never

Now that I can see  
This was all wrong  
I was a hopeless case  
That caught me undone  
I hope that you find  
A place where the sun still shines  
I hope that you find  
A real piece of mind

You talk cheap  
With no belief  
I can't sleep at night  
I'm in the back seat  
The roads is steep  
Just doesn't seem so right  
It seems to  
To go on forever  
I should have said it now  
But now I just can not take it back

But now that I can see  
This was all wrong  
I was a hopeless case  
That caught me undone  
I hope that you find  
A place where the sun still shines  
I hope that you find  
A real piece of mind

Now that I can see

This was all wrong  
I was a hopeless case  
That caught me undone  
I hope that you find  
A place where the sun still shines  
I hope that you find  
A real piece of mind.
