Well, the first thing Monday mornin'  
I drink black coffee, to clear my head  
Yes, every Monday mornin'  
I drink black coffee and I clear my head

Because, every Sunday night without you, baby  
It's Blue Monday, you know baby, you know my soul is  
dead

Big Boss Man  
I can hear you call my name  
Yes, Big Boss Man, Big Boss Man  
Oh, I can hear you call my name

You know, I just don't feel like it is mornin', baby  
It's a sin, you know ain't it a sin?

I can hear Blue Monday callin'  
But this old hangover, just won't let me go  
Yes, I can hear Blue Monday callin'  
But this old hangover, just won't let me go

Yes, but every time I try to get up, baby  
I feel like I'm just goin' down slow
