I got the blues, you know I'm so broke I wanna cry
Lord, I got 'em, you know I'm so broke I wanna cry
Because my baby she's gone and I just don't know the
reason why

She got me walkin', I'm talkin' all to my lonely self
She got me walkin', I'm talkin' all to my lonely self
Whoa, Lord
I gotta find my baby, 'cause I don't want nobody else

Well now I love that woman so much
She got me on the run
She got the keys to my car
She got my great big mansion

She got me walkin', I'm talkin' all to my lonely self
I gotta find my baby, 'cause just don't want nobody
else

Note: song appears on A.C. Reed's album Junk Food.
Vocals by A.C. Reed and Albert Collins.
