Well I'm dyin' with the flu, oh, an' I don't know what to do

Well I'm dyin' with the flu, oh, an' I don't know what to do

Well my doctor gave me up, he said, "I can't do no more for you"

Please call my girlfriend, tell her I'm goin' on home  
Yes, please call my girlfriend, tell her I'm goin' on home

Yeah, you tell 'em that flu is chillin', an' I don't want her to weep an' moan  
Alright

Well it's gettin' dark, ev'rything seem to fade out  
Well it's gettin' dark, ev'rything seem to be fadin' out  
Well I hate to leave this old world but I found out what dyin' is all about
