Get to gettin'
Get to gettin'
Get to gettin', get to gettin'
Take your baby home, pet her an' put her in bed

Get to gettin'
Get to gettin'
Get to gettin', get to gettin'
Take your baby home , pet her an' put her in the bed
Don't give me no trouble woman
Ya heard just what I said

Don't talk about that baby
'Cause you know just what I'll do
Don't talk about that baby
'Cause you know just what I'll do
I'll grab you woman, an' do the mess-around with you

Get to gettin'
Get to gettin'
Take your baby home, pet her an' put her in bed

Get to gettin'

Get to gettin'
Take you baby home, pet her an' put her in bed
Don't give me no trouble woman
You heard just what I said

(Get to gettin')

(Just gettin')

(Get to gettin')
(Get to gettin')
(Get to gettin')
(Get to gettin')

Don't tell me baby, was your cousin on the telephone
Don't tell me baby, was your cousin on the telephone
Well I know you lyin', 'cause yours been dead 'long
time

(Get to gettin')
(Get to gettin')
(Get to gettin')
(Get to gettin')
(Get to gettin')
(Get to gettin')

It's you
