Oh honey hush, yes you talk too much  
Oh honey hush, yes you talk too much  
Listenin' to your conversation is just about to separate  
us

You start talkin' in the morning, you're talkin' all day  
long  
I'm tryin' to figure out what I did wrong  
Oh honey hush, yes you talk too much  
Listenin' to your conversation is just about to separate  
us

I stay out all day long, you know I hate to come home  
Everything I do, seems to be wrong  
Oh honey hush, yes you talk too much  
Listenin' to your conversation is just about to separate  
us  
I can't eat, I can't sleep, I can't rest in peace  
I'll be better off, you know, walkin' the streets  
Oh honey hush, yes you talk too much  
Listenin' to your conversation is just about to separate  
us

I come for lunch or dinner, it happens all the time  
That little gal just drives me out of my mind  
Oh honey hush, yes you talk too much  
Listenin' to your conversation is just about to separate  
us
