Oh honey hush, yes you talk too much
Oh honey hush, yes you talk too much
Listenin' to your conversation is just about to separate
us

You start talkin' in the morning, you're talkin' all day
long
I'm tryin' to figure out what I did wrong
Oh honey hush, yes you talk too much
Listenin' to your conversation is just about to separate
us

I stay out all day long, you know I hate to come home
Everything I do, seems to be wrong

Oh honey hush, yes you talk too much
Listenin' to your conversation is just about to separate
us

I can't eat, I can't sleep, I can't rest in peace
I'll be better off, you know, walkin' the streets
Oh honey hush, yes you talk too much
Listenin' to your conversation is just about to separate
us

I come for lunch or dinner, it happens all the time
That little gal just drives me out of my mind
Oh honey hush, yes you talk too much
Listenin' to your conversation is just about to separate
us
