Everyday baby, when the sun go down  
I get with my friends, an' I begin to clown  
I don't care, what the people are thinkin'  
I ain't drunk, I'm just drinkin'

(But you're so high)  
Oh man, you know I ain't high  
(But you're so high)  
I just take a little bit, every now an' then

(But you're so high)  
Aw man you oughta be 'shamed of yourself  
(Stay drunk all the time)  
Aw, c'mon now, I know ya'll do me like that

Come home last night, all lush  
Baby get in a fuss, I said, "Honey, hush"  
I don't care, what the people are thinkin'  
I ain't drunk, I'm just drinkin'

(But you're so high)  
I ain't drunk, and I done told ya'all I ain't drunk now  
Why ya'll doin' me like this?  
(But you're so high)  
Actually, I just haded fun, man

(But you're so high)  
What? Aw no, I'm not  
(Stay drunk all the time)  
Damn, I don't know why you're all talkin' about me like  
that

You done the right thing, I wanna thank you, too  
Now, let's have a little drink, just me an' you  
I don't care, what the people are thinkin'  
I ain't drunk, I'm just drinkin'

(But you're so high)  
Who me? I ain't high man  
(But you're so high)  
I don't know why you all talk about me like that

(But you're so high)  
You've gotta mind your own business, brother  
(Stay drunk all the time)  
You, you oughta watch yourself too  
You don't understand what I'm sayin'

I wanna tip you, baby, before I go  
I'll be back tomorrow night an' drink some more  
I don't care, what the people are thinkin'  
I ain't drunk, I'm just drinkin'

(But you're so high)  
Oh no, you the one drunk, look at yo' eyes, man  
(But you're so high)  
Don't you tell my old lady, now

Well I ain't had it  
(But you're so high)  
Four, five, six, seven, eight, nine, ten, eleven, twelve  
(Stay drunk all the time)
