I need you so to keep me happy  
If I can't have you, I cannot go on  
I need your arms around me tightly  
Yes, I miss them badly when you're not at home

When the day is done, I miss you so  
I lie and wait to hear you knock upon the door  
When you leave me, I try not to worry  
Come back in a hurry 'cause I need you so

When the day is done, I miss you so  
I lie and wait to hear you knock upon the door  
When you leave me, I try not to worry  
Come back in a hurry 'cause I need you so
