Mustang Sally, guess you better slow your mustang  
down  
Mustang Sally, now baby, guess you better slow your  
mustang down  
Ridin' all over town, woo,  
guess I'm gonna have to put your flat feet on the  
ground

Mustang Sally, you better slow that mustang down  
Mustang Sally, now baby, ya better slow you Mustang  
down  
Runnin' all over town, woo,  
guess I'm gonna have to put your flat feet on the  
ground

All ya want to do is ride around, Sally  
All ya want to do is ride around, Sally  
All ya want to do is ride around, Sally  
Ooh, all ya want to do is ride around, Sally  
(One of these days)  
Gonna have to wipe your weepin' eyes

All ya want to do is ride around, Sally  
All ya want to do is ride around, Sally  
All ya want to do is ride around, Sally  
All ya want to do is ride around, Sally  
(One of these days)  
Gonna be wipin' your weepin' eyes
