COME ON!!!! WHOO!

Wake up in the mornin' cant wait to feel numb cause
you are at my side but you aint had enough.

Well im gonna sleep in the evening,
cant wait to wake up,
cause you are at my side,
and you aint had enough.

what lies inside my head right now
is nothing but fear
what died inside my thoughts right now
cant vacate for fear

For all that you watch it fall
We watch it FALL!!! YEAH!

We watch it fall! ye-eah!

YOU DONT LISTEN WHEN I TALK TO YOU!
YOU WANNA HEAR WHAT YOU WANNA HEAR!!
HOW MANY TIMES HAVE WE GONE THERE?!!

Thats why i drink in the evening
cause i dont wanna wake up
thats not what you wanna hear
cause your shutting me
what lies inside my head right now
is nothing but fear
what died inside my thoughts right now
cant vacate for fear
For all that you watch it fall
we watch it... FALL!!!! YEAH!

we watch it FALL!!!! YEEEEEEAH!

GROWL

STOP!!!

GET UP!!

GROWL

GET UP!!

You Wake up in the mornin' you cant wait to feel numb
cause you are at my side but you aint had enough.

Well im gonna sleep in the evening,
cant wait to wake up,
cause you are at my side,
and you aint had enough.

what lies inside my head right now
is nothing but fear
what died inside my thoughts right now
cant vacate for fear
For all that you watch it fall
For all that you watch it fall
We watch it faaaaaaalllll!! yeeheeeaaahhh!
We watch it faaaaaaalllll...
