I wouldn't write the words  
you wouldn't ask me please  
you'd be like a bird  
at the instinct in your wings  
and the things that you have heard  
all meant nothing to me  
I never meant to drop you hard  
not to pick you up softly...  
...watch out...

As written in some,  
Law of folk  
Your Love Is from,  
The Words I Wrote

If you listen to the music...  
and you are to far away...  
as your mind...  
Repeats Repeating...  
The Last Song You Just Sang

As The Heart you feed  
s' beating out of your chest  
and theres no helping feelings  
that your mind can manifest...

As written in some,  
Law of folk  
Your Love Is from,  
The Words I Wrote

If you listen to the music...  
and you are to far away...  
as your mind...  
Repeats Repeating...  
The Last Song You Just Sang.

If you listen to the music...  
and you are to far away...  
as your mind...  
Repeats Repeating...  
The Last Song You Just Sang.
