Lonesome stranger
With a crowd around you
I see who you are

You joke they laugh
Til the show is over
Then you fall so hard

If you're needing
A soul-to-soul connection
I'll run to your side

When you're lost in the dark
When you're out in the cold
When you're looking for something that resembles you
soul
When the wind blows your house of cards
I'll be a home to your homeless heart

Open close me
Leave you secrets with me
I can ease your pain

And my arms will be
Just like walls around you
Come in from the rain

If you're running
In the wrong direction
I will lead you back
When you're lost in the dark
When you're out in the cold
When you're looking for something that resembles you
soul
When the wind blows your house of cards
I'll be a home to your homeless heart

Broken
Shattered like a mirror in
A million pieces
Sooner or later
You've got to find

Something, someone
To find you and save you

When you're lost in the dark
When you're out in the cold
When you're looking for something that resembles you
soul
When the wind blows your house of cards
I'll be a home to your homeless heart

When you're looking for something that resembles you
soul
When the wind blows your house of cards
I'll be a home to your homeless heart

I'll be a home to your homeless heart
