We must modernize Jerusalem  
detonate the temples  
let them fight over the dust

we will organize in Bethlehem  
able bodied women  
and agnostic headstrong men  
oh, we'll meet at 10

if you lose your fear of God  
you are an animal at heart

show your teeth to everyone  
don't let no one prove you wrong  
you are an animal, an animal, an animal

show your teeth to everyone  
don't let no one prove you wrong  
you are an animal, an animal, an animal

we must rearrange reality  
shuffle all the cards  
play the joker with the queen  
just to make her scream  
to destroy all our enemies  
must investigate our friends  
find the ones who don't believe  
hang them from the trees

if you lose your fear of God  
you are an animal at heart

show your teeth to everyone  
don't let no one prove you wrong  
you are an animal, an animal, an animal

show your teeth to everyone  
don't let no one prove you wrong  
you are an animal, an animal, an animal

show your teeth to everyone  
don't let no one prove you wrong

you are an animal, an animal, an animal
