VERSE 1

Could be I'm way too close
Maybe I'm in too deep
But sometimes I don't know
How I can see the way you see
My perspective's not too clear
'Cause I'm still standin' here
I need to get away

CHORUS

Hey, make me a flyer
This altitude just won't do
C'mon take me higher
Hey, make me a flyer
I want to see your point of view
Take me up with you

VERSE 2

Guess we've been here before
Think I'd have learned by now
But there's this tug of war
That always tries to keep me down
Well, I've seen you flying high
I think it's high time that you
Come take me away

CHORUS

Hey, make me a flyer
This altitude just won't do
C'mon take me higher
Hey, make me a flyer
I want to see your point of view
Take me up with you

BRIDGE

And I want to be where you are
Just let me ride your wings and soar

CHORUS

Hey, make me a flyer
This altitude just won't do
C'mon take me higher

Hey, make me a flyer
I want to see your point of view
Take me up with you

Hey, oh
This altitude just won't do
C'mon take me higher
I want to see your point of view
Take me up with you

Hey, yeah
C'mon, c'mon take me higher
Ooh, ooh
I want to see your point of view
Take me up with you
