VERSE 1

Am I just wishful thinking
Believing every word that comes from you
My breath am I just holding
Hoping that again you will come through

Some say I'm dreaming
So let me dream

CHORUS

If I'm a fool - wh-o-oa
That's all right with me
If lovin' you, oh, makes me crazy
I guess I'm gonna be, a fool

VERSE 2

Why would I now question
To satisfy a vocal few
You've given me your heart and
Who am I to do any less for you

Some say I'm drowning
So let me drown

CHORUS

If I'm a fool - wh-o-oa
That's all right with me
If lovin' you, oh, makes me crazy
I guess I'm gonna be

BRIDGE

You've never given me reason to doubt
Why should I start now, ooh
Though some laugh at my devotion
I won't throw the towel in
I'm hangin' on until the end
It's no delusion that I'm in
Well, I'm no fool

CHORUS

But that's all right with me
If lovin' you makes me crazy
I guess I'm gonna be

A fool - wh-o-oo
And that's all right with me
If lovin' you makes me crazy
I guess I'm gonna be
Well, I guess I'm gonna be, a fool

Well I ain't no fool, ain't no fool
Ain't no fool for lovin' you, no, no
Well, I ain't no fool, ain't no fool
Ain't no fool for lovin' you
No, no, no, no
