VERSE 1

When heaven's Lord made me to fly
He gave my wings to you
So my heart would only start to soar
Whenever I'm with you
And when He gave my soul the will to sail
He handed you the wind
So you alone could carry me
To where I've never been

He took the things I needed most
And gave them all to you
So when I finally found you
I'd know my search was through

CHORUS

I was made to love you
I was made to sail away with you
And sing a song for two
I was made to hold you
I was made to share my life with you
Cause I was made to love you

VERSE 2

When He gave me music
He gave you the song
And filled you with the rhythm
That would move this soul along
Then He locked away my greatness
In a place within my heart
And granted you the only key
That could open up that part
Everything I needed most
Was placed inside of you
And since the day I found you
I've found that this is true

CHORUS

I was made to love you
I was made to sail away with you
And sing a song for two
I was made to hold you
I was made to share my life with you

Cause I was made to love you

BRIDGE

You're all my heart desires
And more than I had ever dreamed to hold
And I will cherish you always

CHORUS

I was made to love you
I was made to sail away with you
And sing a song for two
I was made to hold you
I was made to share my life with you
And that's what I'm gonna do
Cause I was made to love you
I was made to love you
I was made to love you
