Where do broken hearts go?
Where do broken hearts go?
Cause I'm still on the rebound
Where do broken hearts go?
The love is lost in, love's lost in!

..she was there
Let me know that she cared,
Where could she be, is she thinking of me
If only she can see
She's all I need!

Chorus:
Where do broken hearts go?
And who received my prayers an answer
Just like the wings of angels fallen from grace
Searching for, searching for my place
Cause I'm still on the rebound
Like a buried treasure
Wishing you will find your way back around
Love's lost in, love's lost in!

Gimmie love, and I need it!
How can I mistreat it?
She gave me all she had
(The love go,)
She was more than a woman
(More than a friend)
More than the lover
(More than)
I was more than a fool
What am I to do?

Lost and found me, underground we
Loved to love
Loved to love no other,

Chorus:
Where do broken hearts go?
And who received my prayers an answer
Just like the wings of angels fallen from grace

Searching for, searching for my place
Cause I'm still on the rebound
Like a buried treasure
Wishing you will find your way back around
Love's lost in, love's lost in!
So lonely, baby yeah!
Do broken hearts go?
