oh baby i know you had a long day, come over here  
your gonna get it anyway  
remove that ass from those jeans, so x-rated like a  
porn movie.  
you come close and you smilin' at me babe, lets get it  
on, get into some role play.  
oyes, im feeling horny, undress you baby come put it  
on me.  
see that blouse, take it off, show me what you got.  
like a cop ima cuff you now, ima lion ima pin you down  
kiss your neck, are you aroused. in my head, we  
getting down  
ima dog, ima bite you now, quit playing we gon' sex  
right now.  
do you like it when i touch your body, do you like it  
when i kiss your thighs?  
we gon' do a little show tonight and your body's  
headlining.  
your wish is my command, non-stop gon' hit that spot.  
scream it out what you want my baby. ima do it faster  
now  
in and out, in and out here we go. baby, in and out, in  
and out here we come  
hope you dont mind, got the camera rolling.  
turn the volume up gotta hear you screaming.  
watch it back on the big screen, only hd, only 3d.  
we gon' get a sexual eruption, you and me it's fatal  
attraction  
heavy breathing under these sheets, look how hard you  
got meeeee.  
crystal sweat, down your neck. i cant feel your body  
getting wet.  
ima rudeboy ima take it down. like a bee ima sting you  
know  
as you glide ontop of me. im deep inside of your body  
  
like a horse ima ride you now, pull your hair back we  
gon' get it wild  
do you like it when i touch your body, do you like it  
when i kiss your thighs?  
we gon' do a little show tonight and your body's  
headlining.

your wish is my command, non-stop gon' hit that spot.  
scream it out what you want my baby. ima do it faster  
now  
in and out, in and out here we go. oh baby, in and out,  
in and out here we come  
in and out, in and out here we go  
oh baby, in and out, in and out here we come  
girl i love it when you tell me just to lick it there  
oh girl i love it when you tell me just to get it in  
let me get the camera. take a picture right here  
hold it right there, just to see your face.  
now we gon' slow it down, then we gon take a break  
just for a minute then we come back and we start it  
again  
do you like it when i touch your body, do you like it  
when i kiss your thighs?  
we gon' do a little show tonight and your body's  
headlining.  
your wish is my command, non-stop gon' hit that spot.  
scream it out what you want my baby. ima do it faster  
now
