Jerome - Don't Know Why  
Theres no more you, theres no us, no discuss  
no more feelin blue, cryin over you  
no more of your excuses  
and how you wanna do this  
no more lovely kisses  
not from you  
I'm sick of walking around  
I don't wanna waste no time  
Never gave me a sign  
Now you wanna change your mind  
I erased your number  
And your emails too  
Don't try to keep in touch  
Cause li wont ever answer you  
You've got me wrong  
When I told you I belong to you  
Now I'm feelin strong  
to tell you I'm not your fool  
now you are alone  
it's your own mistake  
and I wont you  
congratulate your own  
for breaking our affection

Don't know why  
Don't know why I feel bad  
Don't know why I see that  
You see that I'm sad  
baby why  
You don't know that I had  
so much feelings for that  
Don't you know that I'm sad  
baby why?

Long time ago,  
I was addicted to a girl  
She covered me with love  
and gave me so much joy  
But it's ridicolous  
that she fall in love with me  
cause she told me only lies

It was so obviously (so obviously)  
I've had it  
Don't make me love  
leave me babygirl,  
I've had enough  
Do you get my point  
Just do (it) your worst  
for breaking my heart  
You've got me first  
Don't know why  
Don't know why I feel bad  
Don't know why I see that  
You don't see that I'm sad  
baby why  
You don't know that I had  
so much feelings for that  
Don't u know that I'm sad  
baby why?

Don't know why  
Don't know why I feel bad  
Don't know why I see that  
You see that I'm sad  
baby why  
You don't know that I had  
so much feelings for that  
Don't you know that I'm sad  
baby why?

You have got me wrong  
When I told you I belong to you  
Now I'm feelin strong  
to tell you I'm not your fool  
now you are alone  
its your own mistake  
and I wont you  
congratulate your own  
for breaking our affection  
Don't know why  
Don't know why I feel bad  
Don't know why I see that  
You see that I'm sad  
baby why  
You don't know that I had  
so much feelings for that  
Don't you know that I'm sad  
baby why?
