It seems I've lost my way  
We were laughing with this way  
Although wind in my hair  
I lost my way  
And now my chest is beating hard  
But my mind is thinking clear  
I know that this is right  
Release your fist and your fears  
Yeah, I know that this is me  
Trying to say  
Goodbye  
And this is me  
I'm trying hard not to cry  
And this is me,saying I just can't lie  
And this is me,saying goodbye,saying goodbye,  
Goodbye  
And this is me,saying please don't go  
This is you saying you know, you know that it's time for me to just let go  
And this is me,I'm trying to say goodbye  
And this is me,I'm trying hard not to cry  
And this is me,saying I just can't lie  
And this is me,saying goodbye  
Saying goodbye  
Goodbye  
Goodbye  
Goodbye
