"Blue Is Red"

Climb straight up
To slide right down
Laughing while
You hit the ground
(Running)

Cross the field
Great battle ship
Spin the wheel
'Til you feel sick

Where it comes
It will go
We can't wait to see

What goes around
Comes around
We build it up
To knock it down

Teacher calls
They run back in
Recess done
They're all good kids

When it comes
It will go
We can't wait to see

What goes around
Comes around
We build it up
To knock it down

No reason for
No reason for
No reason for

Blue is in and red is out
Blue is in and red is out
Blue is in and red is out

Blue is in and red is out
