ok you back to talkin that shit again question me about
where i been i dont even know why your here you aint
even poe be here put it all on the line ill be lovin you
every night you the one i come home to right right right

bridge:man i wish i had some weed up in my system
think im bout two seconds away from just flippin out
how could u say that i did it when i didnt think its bout
time that we end this now

chorus: i dont need your trust i dont need this shit yea i
den had enough i think you should just run away get
away find a new long runaway ohhhooooo yea yea
