[Verse 1]

One, two, one twoÂ...

Thought I told you not to trust these hoes

Say they love you, and you know they don't

Say they will, but shit, you know they won't

Yeah, you hear me, but you don't feel me, though

And you are not the only oneÂ...

You are not the only oneÂ...

You are not the only oneÂ...

You are not the only oneÂ...

Okay, fuck it, it was dumb when they dated

David, Brayden, all of them did the same to you

Marquis and Sean and Bryan

All of them had they way with you

Ever so often you get lost and miss out on everything

Shout-out to Crissy

That's my bitch 'cause she tells me everything

And I was not the only one

I was not the only one to youÂ...

So I was the only lonely oneÂ...

Baby, we had the perfect endÂ...

That night we shared at the Comfort InnÂ...

We made love like the world would have endedÂ...

If either of us hadn't made it...

We were in loveÂ...

But I was the only oneÂ...

So I was the only lonely oneÂ...
