Bang, bang
I gotcha
Who shot ya?
Yeah gotcha, gotcha

If home is where the heart is
He's homeless cuz he's heartless
He gave me all his heart and
I ripped the sh*t to shreds
Now he's dead
An empty shell of nothin'
Incapable of lovin'
Now, no woman will want him
Damn

Guess I'm a killa
Call me a murderer
Some kind of monster
I'm just a horrible person
I try to tell 'em
Don't play with my love
This is your warnin'
I do not give a f*ck

That's why I
Line em up
Shoot em down
That's why I
Line em up
Shoot em down
That 's why I
Line em up
Shoot em down
That's right I
Line em up
Shoot em down
That's how I do it now

Innocent men
Delicate men
They never see that

Gun in my hand
So they proceed
To do what they please
Til' they are bloody
Screamin' for Jesus
It's either that
Or me letting them
Disrespect me with different women
But I refuse to be the victim

So
I guess I'm a killa
Call me a murderer
Some kind of monster
I'm just a horrible person
I try to tell 'em
Don't play with my love
This is your warning
I do not give a f*ck

That's why I
Line em up
Shoot em down
That's why I
Line em up
Shoot em down
That 's why I
Line em up
Shoot em down
That's right I
Line em up
Shoot em down
That's how I do it now

I don't play that
I don't play around
I don't play that sh*t
Gotta lay 'em down
I don't play that
When I lay 'em down
Bang, bang
Lay 'em down

I'm a lover
Not a fighter
But I been hurt many times
I'm tired
They all think that
They can try her
'Til those shots are fired

I tried to tell 'em
Don't play with my love
This is your warning
I do not give a f*ck

That's why I
Line em up
Shoot em down
That's why I
Line em up
Shoot em down
That 's why I
Line em up
Shoot em down
That's right I
Line em up
Shoot em down
That's how I do it now
