Wrap me up, wrap me up,  
Wrap me all up with your love  
All that I want  
fill me up, fill me all up with your love

Visions of you have been all in my head  
This time last year you were here in my bed  
Told me you love me and never forget  
Every December youâ€™d make sure youâ€™re here  
So I Pray as soon as I wake  
That we spend today up under each other  
Cause thereâ€™s nothing more I need  
Than you here with me, no gift would be better  
So wonâ€™t you come

Chorus:

Wrap me up, wrap me up,  
Wrap me all up with your love  
All that I want  
fill me up, fill me all up with your love  
Wrap me up, wrap me up,  
Wrap me all up with your love  
All that I want  
fill me up, fill me all up with your love

James Fauntleroy:

Mistletoe hanging right over the bed  
Girl you get whatever you wanna get  
Diamonds or gold no time alone  
Girl once i'm with you, you'll never want that  
Trade you anything, let me unwrap you, start at your  
waist  
Canâ€™t believe it amazed,  
Canâ€™t wait, got me dreaming everyday

Chorus:

Wrap me up, wrap me up,  
Wrap me all up with your love  
All that I want  
fill me up, fill me all up with your love  
Wrap me up, wrap me up,  
Wrap me all up with your love

All that I want  
fill me up, fill me all up with your love

Silent night,  
Hold me tight  
In your arms  
All is right  
Silent night,  
Hold me tight  
In your arms  
All is right

Chorus:  
Wrap me up, wrap me up,  
Wrap me all up with your love  
All that I want  
fill me up, fill me all up with your love  
Wrap me up, wrap me up,  
Wrap me all up with your love  
All that I want  
fill me up, fill me all up with your love
