(Pat K)

She says she don't care who i am,  
Where I'm from, what I've done,  
As long as she's got me.  
Who I am, where I'm from,  
Don't care what I've done  
As long as she got me

(Jhevon Paris)

Hey yo!, I've got my baby, she's got me,  
I stay loyal cause she give me everything I need  
did the player thing, now I'm ready to see

(Pat K)

How the good loves supposed to go now

(Jhevon Paris)

Now I cruise on the good life highway,  
things so natural, doing things my way,  
black tie looking sharp for my baby,  
we best friends and it feels so amazing,

No stress, no drama, shes patient,  
and blinds me with a beauty so radiant,  
haters can talk, that's Ok cause she trusts me,  
and I won't break it.

I've already made my choice, I'm not gonna waver,  
I'm blowing up and I'm planning to take her,  
she don't worry about the minor things,  
cause the love that I give her is major  
Yeah!

(Pat K)

Don't care who i am,  
Where I'm from, what I've done,  
As long as she's got me.  
Who I am, where I'm from,  
Don't care what I've done  
As long as she got me

(Jhevon Paris)

My cutie, my strength, my everything,  
and I ain't gonna leave her for anything,  
messed up way too many times,  
way back and missed out on a good thing  
Yeah!

So this time I'm gonna try,  
stay faithful with nothing to hide.  
So incredible how she fell hard  
for someone with a past like mine.

But I'mma get the benefit,  
cause there ain't no doubt,  
these rumors, she hears are lies.

I got too much to gain, and a lot to lose,  
I'd rather have her here by my side,  
She's my baby

(Nathalie)  
Are you here til the end of time?

(Nichole)  
Ooh

(Jhevon Paris)  
My baby

(Nathalie)  
Are you here til the end of time?

(Nichole)  
Yeah, yeah

(Jhevon Paris)  
M-m-m-my baby

(Nathalie)  
Are you here til the end of time?

(Nichole)  
Oh, ohh

(Pat K)  
She says she don't care who i am,  
Where I'm from, what I've done,  
As long as she's got me.  
Who I am, where I'm from,  
Don't care what I've done  
As long as she got me baby

Ain't never gonna ask who is this girl,

who is that girl, she's the last girl,  
she's in my past girl, now I'm with you,  
and that's all I need

(Nichole)

Baby, all I, ever needed was you, this love from you

(Pat K)
