future girl
future girl

she drove my mind 24 sheaving
for most popular in town
just one look in her .. heaven
gotta took with no one around.

she got me feelin like ooh
plus she give me the time and day
heart beating like ooh
i gotta find my way.

chorus:
to get my future girl
oh like she now
that's my future girl
so glad that i finally found.
my future future girl
that's my future future girl
she's my future girl so glad to finally found.
future girl

i might be making a bold prediction
but a look in her hair yeah
is it wishful thinking is it all in my head.

she got me feelin like ooh
plus she give me the time and day
heart beating like ooh
i gotta find my way.

chorus:
to get my future girl
oh like she now
that's my future girl
so glad that i finally found.
my future future girl
that's my future future girl
she's my future girl so glad to finally found.
future girl
