Five five with pretty brown eyes and a smile that you'll
never forget (noo)
Her swag got me hypnotized and shes playing it hard
to get (Girl if you trust me)
You wont worry bout a thing, I'ma give everything to
you (I'll make you love me)
Baby girl you're a star, you deserve to be treated good

Baby what I gotta do to get your number cause I want
ya, girl I want ya
Girl you're killing me with all your fine features (girl I
want ya x2) (ohh hey)
Don't need anybody else its true (hey)
The only one I need is you
Baby what I gotta do to get your number cause I want
