What was I doing when I crossed the line  
I'm trying to think of ways to make you change your  
mind,  
To make you smile again.  
You're on my play every night and day,  
Trying to forget you but you're always in my dreams,  
Come back to me again!  
Oh, I'm holding on to hope,  
They say I'm out of my mind,  
Girl, I need your love tonight!

Chorus:  
I'm still loving you,  
No matter what I do,  
I think about you  
Cause I'm still loving,  
I'm still loving you!  
I'm still loving you!  
I'm still loving you!

Visions of how we used to spend our days,  
I can't believe we let it all fade away.  
Let just start again!  
Oh, I'm holding on to hope,  
They say I'm out of my mind,  
Girl, I need your love tonight!

Chorus:  
I'm still loving you,  
No matter what I do,  
I think about you  
Cause I'm still loving,  
I'm still loving you!  
I'm still loving you!  
I'm still loving you!

Girl, I need you in my life,  
Oh how I paid the price,  
So do what I've got to do.  
Cause I'm still loving you!  
Oh, I'm still loving you

(Girl, I need your love)  
Oh, I'm still loving you!  
(Girl, I need your love)

Chorus:

I'm still loving you,  
No matter what I do,  
I think about you  
Cause I'm still loving,  
I'm still loving you!  
I'm still loving you!  
I'm still loving you!
