With every day, with every minute  
I only think of you  
With every move, with every morning  
All the things we used to do  
I lost my pride, I lost my world  
I lost my mind, I lost my girl  
So baby tell me, can we ever get it back, whoa

[Chorus]

I don't wanna live if you ain't here  
Can't make it on my own  
If I'm the lock then you're the key  
Can't make it on my own  
There's no I in team know that I can't do this alone  
Cause you complete me  
Girl I can't make it on my own  
You complete me, I can't make it on my own

I miss your smile, I miss your kisses  
I miss you in my arms, yeah, yeah  
I miss your love so let's pretend we never broak up,  
whoa  
I lost my pride, I lost my world  
I lost my mind, I lost my girl  
So baby tell me, can we ever get it back, whoa

[Chorus]

I don't wanna live if you ain't here  
Can't make it on my own  
If I'm the lock then you're the key  
Can't make it on my own  
There's no I in team know that I can't do this alone  
Cause you complete me  
Girl I can't make it on my own  
You complete me, I can't make it on my own  
Said you complete me  
Know I can't make it on my won, whoa

[Chorus]
