It would be the best  
Everyone could go to hell  
Turn into yourself  
Always someone else

Don't need sympathy  
Smile it's nothing but teeth  
I'll keep my integrity  
Even if I have to sleep on the street

Look around what you're doing  
You think God's in you  
Telling people what to do  
You don't know who are you

Look around what you're doing  
You think God's in you  
Telling people what to do  
You don't know who are you

Fuck  
Fuck

It would be the best  
Everyone could go to hell  
Turn into yourself  
Always someone else

Look around what you're doing  
You think God's in you  
Telling people what to do  
You don't know who are you

I don't need sympathy  
Smile it's nothing but teeth

Look around what you're doing  
You think God's in you  
Telling people what to do  
You don't know who the fuck are you

I don't need sympathy

Smile it's nothing but teeth
