Carve your rights into your arm
So they won't get taken away
Trying in vain, figure it out
Always thinking, this is a waste

Build it up high
Further to fall
Right down on you
Wasting away

Suffer more, suffer still
Found release, locked away
No values anymore
Nowhere to turn, wasted away

Build it up high
Further to fall
Right down on you
Wasting away

Suffer more, suffer still
Found release locked away
No values anymore
Nowhere to turn, wasted away

Build it up high
Further to fall
Right down on you
Wasting away
