Hate is reality, hate is reality
Hate is reality, hate is reality
Don't you know God hates?

Hate is reality, hate is reality
Hate is reality
Don't you know God hates?

Violence is what you breed
Racism is what you breed
Hate is what you breed
What do you expect me to be ?

Hate is reality, hate is reality
Hate is reality
Don't you know God hates?

Hate is reality, hate is reality
Hate is reality
Don't you know God hates?

Peace, brother, fuck you, bastard
I don't need your false friendship
Freedom is a bunch of shit
This is world of shit

Hate is reality, hate is reality
Hate is reality
Don't you know God hates?

Hate is reality, hate is reality
Hate is reality
Don't you know God hates?

Misery is what we see
Murder is what we see
Ignorance is what we see
What do you expect me to be? Fuck

Hate it, hate it, hate it
Don't you know God hates?

Violence is what you breed
Racism is what you breed
Hate is what you breed
What do you expect me to be ?

Hate is reality, hate is reality
Hate is reality
Don't you know God hates?
(World of shit)

Hate is reality, hate is reality
Hate is reality
Don't you know God hates?
(World of shit)

Hate is reality, hate is reality
Hate is reality
Don't you know God hates?
(World of shit)

Hate is reality, hate is reality
Hate is reality
Don't you know God hates?
(World of shit)

Hate is reality, hate is reality
Hate is reality
Don't you know God hates?

Hate is reality, hate is reality
Hate is reality
Don't you know God hates?

Hate is reality, hate is reality
Hate is reality
Don't you know God hates?
