Vs. 1

I know we promised not to move too fast  
We've both been hurt so many times in the past  
I'm willing to just be friends  
Then again, I must confess

Chorus:

I'm falling hopelessly  
No way to conceal  
I Can't just walk away  
From the love that I feel  
Perhaps you need some time  
To think things through  
As for me, when it comes to loving you  
I'm falling hopelessly

Vs. 2

Love that's gone wrong shouldn't stop two hearts  
From moving beyond lonely nights in the dark  
We could lay our pain aside  
I'll hold you tight and say to you

Chorus:

I'm falling hopelessly  
No way to conceal  
I Can't just walk away  
From the love that I feel  
Perhaps you need some time  
To think things through  
As for me, when it comes to loving you  
I'm falling hopelessly

Bridge:

Last time for you love hit a wall  
I could be a soft place for your heart to fall  
And only time will tell if

Chorus:

We're falling hopelessly  
No way to conceal  
We can't just walk away  
From the love that we feel  
We may have doubt's at times  
But we'll make it through  
As for me, and baby as for you  
We can fall hopelessly
