Goodmorning sunshine,
You look beautiful today.
I'm on cloud nine, 'cause you fix me up a plate.
You smell so good,
Girl you always do your thang
More than you should,
Got me feeling like a king.
Oh woah oh
You got everything I like on the table,
Still I can't get on my way.
I can't function, without that something,
That gets me through the day.
Can I get some sex with my coffee?
Can I get some lovin' with my muffin?
Can I get some legs with 'em eggs?
Pick you up scrambled, let me get a handful.
Can I get some sex with my coffee?
Can I get some lovin' with my muffin?
Let me get in closer, why you wanna

Can I get some sex with my cof- sex, sex with my
coffee.
Maybe we can make a morning video,
We can start a fire freaking on the stove.
I don't want to see your body in that robe,
Let me take it off girl before I go.
You got everything I like on the table,
Still I can't get on my way.
I can't function, without that something,
That gets me through the day.
Can I get some sex with my coffee?
Can I get some lovin' with my muffin?
Can I get some legs with 'em eggs?
Pick you up scramble, let me get a handful.
Can I get some sex with my coffee? (Can I get some)
Can I get some lovin' with my muffin? (Oh woah oh oh
oh)
Let me get in closer, why you wanna

Can I get some sex with my cof- sex, sex with my
coffee.
Can't you see I need you with my coffee?
Sweeter than sugar, baby pour a little on me, oh.
I got this
