I talked to myself today
Sat down and understood in a peculiar way that
She looked so innocent but
O I know better
Do I know better

Because I never thought that we could work this out
Make it through the crowd
oh oh oh

I talked to myself today but
Now I know better
Do I know better
Do I know better
Ooh ooooohh
Ooh oh!
That's when she looked at me
I knew I couldn't let her be
Oh no, I wouldn't make it on my own
Oh oh, ready to walk away
'Cause I know all the games she plays

It's alright,
It's alright..
I talked to myself today
Sat down and understood in a peculiar way that
She looked so innocent but
Now I know better
Do I know better
'Cause I never thought that you would turn my life
around
Oohh

I talked to myself today but
Now I know better
Do I know better
Do I know better
Oohh ooh ooh no
Ooh oh!
That's when she looked at me
I knew I couldn't let her be
Oh no, I wouldn't make it on my own

Oh oh, ready to walk away
'Cause I know all the games she plays

It's alright,
It's alright..

Ooh oh!

That's when she looked at me

I knew I couldn't let her be

Oh no, I wouldn't make it on my own

Oh oh, ready to walk away

'Cause I know all the games she plays

It's alright,
It's alright..
