You've been around for such a long time now
Oh maybe i can leave you but i don't know how
And why should I be lonely every night when I could be
with you ?
Oh yes you make it right

And i don't listen to the guys who say
that you're bad for me and I should turn you away
'cuz they don't know 'bout us, they've never heard of
love

I get a feeling when I look at you,
Wherever you go now I wanna be there too
They say we're crazy but I just don't care
And if they keep on talking still they get nowhere

So I don't mind if they don't understand
when I look at you and you hold my hand
'cuz they don't know 'bout us, they've never heard of
love

Why should it matter to us if they don't approve
We should just take our chances while we've got
nothing to lose

[Music]

There's no need for living in the past
Now I've found a love I'm gonna make it last
I tell the others don't bother me,
'cuz when they look at you they don't see what I see

No i don't listen to their wasted lines,
got my eyes wide open and I see the signs
'cuz they don't know 'bout us, they've never heard of
love

No i don't listen to their wasted lines,
got my eyes wide open and I see the signs
'cuz they don't know 'bout us, they've never heard of
love
