Visit "[So Often](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Today is so boring  
It's gonna start today  
So often

I'm gonna change my ways  
So often

Remember I swear, so often,  
Often

A sing in the sky  
A sing in the sky

I feel your lies  
As if you're crucified  
I remember the way you used to betray  
And sometimes I pray for the errors I made  
And you're goddess  
You are my God  
Take my rib  
Let's sin for all

Today is so boring  
It's gonna start today  
So often  
I'm gonna change I swear  
So often  
Remember, I swear  
So often, often

A sing in the sky,  
A sing in the sky
