Not 'til you halo all over me, I'll come over
Not 'til it shimmers 'round your skull, I'll be yours

I weave for you some marvelous web
Glow in the dark threads, all neon like
The cocoon surrounds you, embraces all
So you can sleep, fetus style

And they will assist us
'Cause we're asking for help
And the luminous beam, it feeds you
Henh-yeah, henh-yeah

The soft distortion, fills you up
Nourish, nourish your turtle heart

And they will assist us
'Cause we're asking for help
And the luminous beam, it feeds you
Henh-yeah, yeah

Don't get angry with yourself
Don't, don't get angry with yourself
I'll heal you
With a razorblade, I'll cut a slit open

And the luminous beam
Feeds you honey, heals you

Don't get angry with yourself
Don't get angry with yourself
Don't get angry with yourself
Don't get angry with yourself

I'll heal you, I'll heal you
Luminous, I'll heal you
