"Aurora"

Treading the glacier head
Looking hard for a moment of shine
From twilight to twilight

Utter mundane

Aurora
Goddess sparkle
Shoot me beyond this suffer
The need is great
Aurora

Utter mundane

Aurora
Goddess sparkle
A mountain shade
Suggests your shape

I tumbled down on my knees
Fill the mouth with snow
The way it melts
I wish to melt into you

Aurora
Utter mundane

Spark the sun off
Spark the sun off
Spark the sun off
Spark the sun off me
