I can sense it Something important Is about to happen It's coming up

It takes courage to enjoy it The hardcore and the gentle Big time sensuality

We just met And I know I'm a bit too intimate But something huge is coming up And we're both included

It takes courage to enjoy it The hardcore and the gentle Big time sensuality

I don't know my future after this weekend And I don't want to

It takes courage to enjoy it The hardcore and the gentle Big time sensuality
