i am strong in his hands  
i am beyond me  
on my own i'm human  
and i do faults

i do confess  
i feel you trickeling  
down my shoulders  
from above

mmmm mmmm mmmm mmmm

i turn myself in  
i give myself up  
volunteer  
you own me : i'm yours

mmmm mmmm mmmm mmmm

you have to trust it  
i'm eternally yours  
all that i gave them  
i gave to you

mmmm mmmm mmmm mmmm

so needy of comfort  
but too raw to be embraced  
undo this privacy  
and put me in my place

mmmm mmmm mmmm mmmm

generous palmstroke  
the hugest of hugs  
undo this privacy  
embrace

embrace me  
embrace me  
embrace me

eeeeemm

m m m m m m m m m m m m m m m m

i am strong in his hands  
i am above  
way beyond me  
i.... con...

she's strong in his hands  
she is beyond her  
on her own she is human  
and she does faults
