If you ever get close to a human and human behavior  
Be ready, be ready to get confused and me and my  
here after  
There's definitely, definitely, definitely no logic to  
human behavior  
But yet so, yet so irresistible and me and my fear can  
And there is no map uncertain

They're terribly, terribly, terribly moody of human  
behavior  
Then all of a sudden, turn happy and they and my here  
after  
But oh, to get involved in the exchange of human  
emotions  
Is ever so, ever so satisfying and they and my here on  
And there is no map and chair too

Human behavior, human behavior  
Human behavior, human behavior

And there is no map  
And a compass wouldn't help at all  
Yeah, uncertain

Human behavior, human behavior  
Human behavior, human behavior  
Human behavior, human behavior  
Human behavior

There's definitely, definitely, definitely no logic  
To human, to human, to human, to human
