"Play Dead"

Darling, stop confusing me
With your wishful thinking
Hopeful embraces
Don't you understand?

I have to go through this, I belong to here
Where no one cares and no one loves
No light, no air to live in
A place called Hate, The City of Fear

I play dead, it stops the hurting
I play dead and the hurt stops

It's sometimes just like sleeping
Curling up inside my private tortures
I nestle into pain
Hug suffering, caress every ache

I play dead, it stops the hurting
I play dead, it stops the hurting
I play dead, it stops the hurting
I play dead, it stops the hurting
