Your flirt finds me out  
Teases the crack in me  
Smitten me with hope

Possibly maybe  
Possibly maybe  
Possibly maybe

As much as I definitely enjoy solitude  
I wouldn't mind perhaps  
Spending little time with you  
Sometimes, sometimes

Possibly maybe, probably love  
Possibly maybe, probably love

Uncertainty excites me, babe  
Who knows what's going to happen?  
Lottery or car crash  
Or you'll join a cult

Probably maybe, possibly love  
Probably maybe, possibly love, possibly

Mon petit vulcan  
You're eruptions and disasters  
I keep calm admiring your lava  
I keep calm

Possibly maybe, probably love  
Possibly maybe, probably love

Electric shocks, I love them  
With you, dozen a day  
But after a while I wonder  
Where's that love you promised me?  
Where is it?

Possibly maybe, probably love, possibly  
Possibly maybe, probably love, possibly

How can you offer me love like that?

My heart's burned  
How can you offer me love like that?  
I'm exhausted, leave me alone

Possibly maybe  
Possibly maybe  
Possibly maybe

Since we broke up  
I'm using lipstick again  
I suck my tongue  
In remembrance of you
