So broken,
In pieces,
My heart is so broken,
I'm puzzling.

Here I go
Trying to run ahead of that,
Heart break train,
Thinking,
It will never catch up with me.

I'm so broken,
hean-biur-afte-care,
So broken,
hean-biur-afte-care,
Yeah, ha-ee, ha-ee, ha-mmm,
hean-biur,
** Icelandic part **
Wooh-ahhh-hmm...

I'm trying to land,
This aeroplane of ours gracefully,
But it seems just destined to crash,

I'm so broken,
hean-biur-afte-care,
My heart is so broken,
hean-biur-afte-care,
Yeah, ha-ee, ha-ee, ha-mmm,
** Icelandic part **

How can, how can,
And I sense (?)
All continuity
Has vanished away
At one step at a time now baby
I'm so broken
hean-liur-afte-care
I'm-m-m-mmm...so broken
hean-biur-afte-care
Yeah, ha-ee, ha-ee, ha-mmm

**** Icelandic part ****

I'm so...
Completely unhealable, baby
Ohhh!!
Ohh-er-him
I'm so broken
Ahh-ea-miur-afte-care
Yeah, ha-ee, ha-ee, ha-mmm
En-lickel-afte-sjlvar
En-neon-co-cole-ah-ahh
Neo-sasar-ohh
En-mi-sshh...
