I know I've been tolerant 'til now,  
But here comes a warning,  
There's a very clear line that i'm drawing,  
And if you cross it.

Sod off  
Sod off

If you think I'll let you pull me down to  
Your third-class communication,  
And bulldoze over all my sensitivities  
You've read me all wrong.

Sod off  
Sod off  
Sod off  
Sod off

Things so far,  
Have been too perfect  
This is the premiere  
But, oh, how many dress rehearsals  
I've been through

Darling this is far too pure and perfect  
I let you corrupt it.

Sod off!  
I wont let you ruin this.  
Sod off.

Sod off.  
Sod off.  
Sod off.  
Sod off.
