close your eyes  
listen closely  
all that you've learned  
try to forget it

fuck logic  
fuck logic  
rival to instinct  
and sweet intuition  
sweet intuition  
sweet intuition

what makes you tick?  
trust your senses  
all that you've learned  
try to forget it

believe in  
believe in  
believe in instinct  
and sweet intuition honey  
sweet intuition  
sweet intuition  
sweet intuition

and inside we'll all still wet  
longing and learning  
repeat after me

fuck logic  
fuck logic  
rival to instinct  
and sweet intuition  
sweet intuition  
sweet intuition honey  
sweet intuition  
sweet intuition honey  
sweet intuition  
sweet intuition  
sweet intuition  
sweet intuition

sweet intuition  
sweet intuition
