hafandi eyra vasanum  
hafandi augun sknum  
starbrf maganum  
vnd af kossum munninum  
kyrr!  
hafandi haf af girnd  
hafandi lona lngun um mjamirnar  
hafandi sjn sem a sr egar a er slkkt  
og gott bil milli ftanna  
kyrr!

translation:

having the ear in the pocket  
having the eye in the shoe  
loveletters in the stomach  
bouquet of kisses in the mouth  
calm down!  
having an ocean of desire  
having a hairy desire around the hips  
having eyes that can see in the dark  
and too much space between the legs  
calm down!
